Customized for each country and project site, this program includes installing water filtration systems, increasing water storage, providing drinking and handwashing stations, conducting hygiene education through training teachers and facilitating student hygiene clubs, and rehabilitating or constructing new sanitation facilities. At every new site, Splash helps ensure sustainability through training, provision of spare parts, and developing local supply chains.

A complete draft is then provided to the Board Treasurer and the rest of the Splash Board of Director's Finance Committee to review.
